Dear Judge Naidu,

As of this date; 8 Dec 2014 after arriving at a consensus of more than 250 Northern Cheyenne Tribal members, we have decided to appoint Your Honor as Chief Judge for the Traditional Court of the Cheyenne Nation, pursuant to Article VIII of the Constitution.

This measure is crucial to us as a sovereign indigenous tribe that value our ancient Code of Conduct based on God's Law and natural law. We are aware that man's laws, although impelled by political necessity, cannot stand the scrutiny of a higher law that pivots principles and values of morality as the *sine qua non* of true justice in a court of equity.

The Traditional Court that Your Honor will take the helm of will be nothing more than a court of equity. We will be working out a strategy to establish and ordain a Tribal Police Force outside the control and influence of the Bureau of Indian Affairs or BIA.

We guarantee you the independence of the judiciary as is the want. However, we reserve the right to terminate your Appointment via consensus in the event that misbehavior and conduct unbecoming of a chief judge becomes relevant, material and or evident.

In the interim, we will work out a budget for Your Honor's staff requirement which we understand will need a fulltime Clerk of the Court, and one support staff for the present time.

Let us keep a door of dialogue open at all times so we can plan, structure, implement and enforce the judgments and declarations of the Traditional Northern Cheyenne Court.

Given under my hand as Hereditary Chief of the Northern Cheyenne Nation,
