

JEAN HAINES (<http://jhaines6.wordpress.com>) ESCAPED THE SALEM WITCH TRIALS, REINCARNATES, EXPOSES HERSELF AGAIN, AND NOW FACES CERTAIN AND SWORN EXTINCTION.

The Salem witch trials were a series of hearings and prosecutions of people accused of witchcraft in colonial Massachusetts between February 1692 and May 1693. The trials resulted in the executions of twenty people, most of them **women**. Despite being generally known as the Salem witch trials, the preliminary hearings in 1692 were conducted in several towns in the Province of Massachusetts Bay: Salem Village (now Danvers), Ipswich, Andover, and Salem Town.

The most infamous trials were conducted by the Court of Oyer and Terminer in 1692 in Salem Town. One contemporary writer summarized the results of the trials:

*“And now **Nineteen** persons having been hang'd, and one prest to death, and Eight more condemned, in all Twenty and Eight, of which above a third part were Members of some of the Churches of N. England, and more than half of them of a good Conversation in general, and not one clear'd; about Fifty having confest themselves to be Witches, of which not one Executed; above an Hundred and Fifty in Prison, and Two Hundred more accused; the Special Commision of Oyer and Terminer comes to a period.”*

Records, recently revealed, show that Jean Haines escaped by the machinations of her Master, Lucifer himself, and has again reincarnated in a **woman's** body, and has embarked on some Luciferean smear campaigns and character assassinations (**1 Chronicles 16:22; Psalm 105:15**). The Church is getting together, but not to exorcise this wily witch. PEOPLE are cautioned to deny her the right of patronage and readership (<http://jhaines6.wordpress.com>). This is one sure way to gain your confidence and trust. The father of lies is sweet, subtle, gentle, coercive, convincing, and persuasive. **Honi soit qui mal y pence.**
